# About the Climate Finance Certification Programme

## Basic Level Modules

The basic level is the entry level. It is suitable for participants with **no** or **little** knowledge in climate change, its impacts on MSMEs and investment opportunities.

### The Basic level consists of three sections:

1. Basics of Climate Change
2. Climate Change and MSMEs
3. Climate Change Investment Opportunities for MSMEs

Each section is made up modules

### 1. Basics of Climate Change

- Module 1: The concept of climate change
- Module 2: Main causes of climate change
- Module 3: Effects of climate change on economic sectors and businesses
- Module 4: Why climate change is development problem
- Module 5: Mitigation and adaption options for tackling climate change

## Intermediate Level
